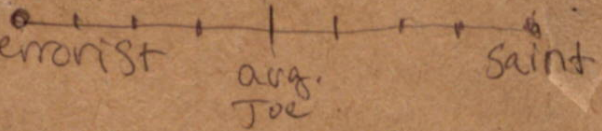
Creating Authentic creative Unique individuals who will live to serve others & Just.

1st Undoing the false belief that humans are inherently evil

child potential



A theme in the male dominating bible culture, & our Legal System (most ppl are shamed into this belief)

Global evangelical culture is striving

Alternative outlets for excess energy/ blockage/ maladaptive emotions

- Exercise/
- Nutrition
- Social acceptance
- hydration
- breath

Playing the attention game w/ their father (& mother, but typically mother is relentless caregiver while father expresses more or less 'gotch ya', & game playing)

(The realm of belonging)

'Daddy problems'

self identification & self to world relation.

Show vs Tell - learning how to Listen/empathize/ give your time & breath to Family. Especially during the formative years.

moderating Shaming & negative reinforcement.

& How to deal w/ 'Lying'

Understanding Truth, Logic, & reason by setting an example but remaining open to (Y)our own improvement (most adults have not yet grasped logic, thus, the current state of

Agnosticism is not Atheism

You can claim to know god exists but you can't claim to know all that god is. Otherwise, how or why would you continue the conversation. (life ∞)

Teaching & learning, families that Evolve past rigid & limiting trends in our polluted culture to advance human conscience empathy, world-peace, co-create heaven on earth, Fam Style

There is no such thing as a True Belief!

differentiating Truths from beliefs w/ the Scientific

A continuous conversation not overpowered or offended. Just Kind
